

**SCHEDULE AND BUDGET 2021  
RBW MINISTRY**

**RESPONSIBLE: NAVARRO VALLEJO FAMILY**

**PLACE: LETICIA – AMAZONAS**

**PURPOSE:**

**WHAT?**

Our purpose is to honor the King of Kings and Lord of Lords, Our Lord Jesus Christ, and to help others that also can accomplish the centuries plan: **so that every creature on every place worship and honor o the only true God and His Son Jesus Christ.**

**WHERE?**

Using the gifts that we have received from the Father and with the direction and favor of God, we want to strengthen this year the church over the rivers **Atacuari, Loreto Yaco, Amazonas, Putumayo, Mirití and Güacayá** in the area of family, confident that is in the families where the key is to accomplish the calling of the extension of the Kingdom of God on earth, as the Lord established it with the first couple on Genesis 1:27-28.

**HOW? WHEN?**

During the trip that we made on December 2020 over the Amazonas river and two of its branches, we were able to conclude that we have to work strengthening the families, teaching them the role of every one of their members and the responsibility that they have as a body, this through **conferences** in their own communities; we believe that with the support of the Holy Spirit **on this new year** of projections, we will have as a result on December **2021**, families committed to keep growing and learning and later going to plant the Kingdom of God on places that have not been reached by the gospel on the Amazonas state.

**WHO?**

We've prayed and learned that alone this wouldn't be possible, in order to carry out this work we need first of all the direction, support and provision from the **Eternal**, in the other hand we want to involve other **graduates of the School of Missions**, to keep bringing accompaniment in their process of growing as preacher and according to every case as speakers, we also have the support of the **church and the pastors** in the different communities that have manifested the interest on receiving support to train specifically some key **families** of their congregations and themselves to accomplish with the Great Commission ; we understand that **RBW** is a fundamental ally alongside the people we mentioned before, we believe that God established that they were part of **our lives**, our ministry and the Big Work that God is doing in this land.

**\*Community of Citacoyd:** this community is relatively close and we can get there by land; we started a work with the students of the school last year there, the people that lives there asked us to continue sharing the gospel, is a community that still lives with traditions of their ancestors but that is receptive to the Plan of God for them.

We still have to talk with the Curaca (chief) of that community to have the permit to get in and also to plan de visit days and discipleship.

We have the support of three graduates of the Missions School and we are in the process of forming disciple of the Tanimuka tribe that is going to be hosted at our house.
